By Air:

The office is approximately 35 miles drive from Leeds Bradford Airport and 45 miles to Manchester International Airport which both airports have direct flights to the US and Europe.

By Rail:

The office is approximately 5 minutes drive from Nelson railway station, which has trains to Leeds and Manchester.

By Road:

From the M6 Northbound
 Exit at J29 taking M65 towards Burnley. Take the exit at J12 on the M65, shown on the map above.

From the M61 Northbound
 Exit at J29, take the M65 eastbound for Burnley and follow 'M65' routing below.

From M60 Clockwise/Anti-clockwise
 Leave M60 at J18 towards Bury and join M66 northbound. As you approach the end of the M66 stay in the left lane and join on to the A56 towards Burnley (M65). Once on M65 follow 'M65' Routing below.

From M65
 Exit at Junction 12 on M65. At roundabout take the exit for Lomeshaye Industrial Estate. This will lead you onto Churchill Way. Go straight at the first mini-roundabout. Continue straight over the second roundabout and take the first right onto Turner Road.

You will see a Peugeot dealership on your right hand side as you travel down Turner Road. Take the first left into the car park. We are situated in the building on the right hand side opposite a large storage warehouse. Please use the buzzer and we will happily greet you at the door.

Visiting our Machine Unit

Once again exit at Junction 12 on the M65 and take the exit for Lomeshaye Industrial Estate (Churchill Way). The road will bend around and you will see a Range Rover garage on your right hand side. At the first mini-roundabout continue straight over. At the second round about take a left on to Kenyon Road. Take the second left which is approximately 20 meters down the road.
